AAESPH Review
Index to Titles and Authors
Volume 1, Numbers 1 to 8
September, 1975, to November, 1976

Acquisition of complex assembly skills through the use of systematic training procedures: Involving profoundly retarded adults. F. Spooner & B. Hendrickson. (7), 14–25.

Annotated bibliography for professionals and parents who work with severely handicapped children. Diagnostic School for Neurologically Handicapped Children, Southern California. (4), 47–77.

Application of Piagetian sensorimotor concepts to assessment and curriculum for severely handicapped children. C. C. Robinson. (8), 5–10.

Autism: An annotated bibliography. R. S. Neel & M. Feder. (5), 59–84.

Bailey, C. Curriculum guidelines for teaching profound and severely retarded students (IQ under 40) including those with physical handicaps. (1).

Basic components of instructional programs for severely handicapped students. W. Williams, L. Brown, & N. Certo. (1).

Beck, R. *See* McCrea, D.

Behavioral assessment procedures for community reintegration. H. K. Reavis, J. G. Morrey, & K. Hamel. (4), 37–46.

Bellamy, G. T. *See* Hunter, J.

Bellamy, G. T., & Snyder, S. The trainee performance sample: Toward the prediction of habilitation costs for severely handicapped adults. (4), 17–36.

Bibliography for prosthetic and adapted equipment. B. Utley. (3), 127–130.

Bibliography of books in behavior modification and behavior therapy. R. B. Rutherford Jr. (4), 78–106.

Brown, L. *See* Williams, W.

Brown, P. *See* York, R.

Burke, P. J. The determination of adequacy—Our Gethsemane? (8), 2–4.

Cable harness construction for severely retarded adults: A demonstration of training technique. J. D. Hunter & G. T. Bellamy. (7), 2–13.

Catalogs of special equipment. M. Huston. (3), 124–126.

Certo, N. *See* Williams, W.

Close, D. W. *See* Rusch, F. R.

Curriculum guidelines for teaching profound and severely retarded students (IQ under 40) including those with physical handicaps. C. Bailey. (1).

Data dilemma: Response and measurements units for teachers of the severely handicapped. K. Liberty. (5), 13–31.
